Real Estate Tax Due Next Month

The first installment on 2005 Town of Vienna real estate tax bills is due on July 28. Mailed payments must be postmarked on or before that date to avoid penalties and interest. Late payments will be assessed a penalty of 10% or \$5, whichever is greater, along with interest at 10%, which accrues until payment is made.

If you pay your real estate taxes directly to the Town rather than through a mortgage company and you do not receive your bill by July 15, please call the Real Estate Office at Town Hall, 703-255-6325.

If your Vienna taxes are paid through your mortgage company and you receive the tax bill, please notify your mortgage company immediately.

If you have sold the property and are not responsible for the tax bill you receive, please notify the real estate office immediately.

To pay by credit card online, go to www.ci.vienna.va.us/Town_Departments/onlinepay.htm. To pay by phone with a credit card, call 1-888-2PAYTAX (1-888-272-9829) and use the Jurisdiction Code 1094 for real estate. Make sure you record the confirmation number given to you at the end of the transaction, as this will serve as your proof of payment.

Town of Vienna property owners must also pay Fairfax County real estate tax. For information on County tax payments, call 703-222-8234 or visit www.fairfaxcounty.gov/dta/homepage.htm.

Is Your Business on the Bidders List?

The Vienna Purchasing Office is updating its bidders list for the new fiscal year beginning July 1. If there have been changes in your business organization, or if you would like to be placed on the Town's bidders list, please call 703-255-6359 or visit www.ci.vienna.va.us/Town_Departments/bidapp.htm to receive an application form and return it by June 30. The Town of Vienna wants to do business with you!

Businesses are reminded that all current Town government bids are posted on the bulletin board in the foyer of Town Hall and also are available at the Town's Web site.

Comment from the Council Table

Get Involved!

By M. Jane Seeman
Mayor of Vienna

By the time this newsletter reaches your mailbox, the public hearing for the fiscal year 2005-2006 Town of Vienna budget will have been held. This year's budget will have a 4½ cent reduction in the real estate tax rate. This is the fifth consecutive year for tax rate reductions. This year, as in past years, the Council took a close look at all expenditures, always asking the question: How does this benefit Vienna citizens? Citizens are encouraged to get involved with the budget process and are welcome at all budget work sessions and the public hearing. We welcome e-mails, letters and phone calls.

Another invitation for citizen in-

volvement concerns the proposed dense development surrounding Vienna. The Vienna Metro West/Fairlee project that is proposed will add approximately 2,300 dwelling units, 300,000 square feet of commercial space and 7,500 square feet of retail space. The Orange Line is already at capacity as are the roads and streets in the area. There have been a number of public meetings held at Vienna Town Hall, local schools and the Fairfax County Government Center and there will be more for input from citizens.

Vienna is being squeezed from all directions with proposed increased development. Talks have now begun on the re-

Mayor Seeman

development of Tysons Corner. A member of Vienna's Planning Commission has agreed to serve on the Tysons Corner Transportation Urban Design Study Coordinating Committee. Vienna's neighborhoods are vulnerable and we need more representation on this committee. Vienna citizens must be heard on all these development proposals as they will affect our daily living and quality of life in Vienna.

Vienna needs to decide how we fit into this picture. We have a unique role and we must protect that role. At the same time, we cannot hide our heads in the sand and pretend development is not happening. It is better to be informed and be part of the decision making. I invite all of you to become involved. There are several groups that have been formed to address development in Fairfax County. Go to these meetings, talk to your neighbors, get the facts and, most important, let your elected County and Town officials know how you feel.

Vienna Names in the News

Vienna Volunteer Fire Department member **Gene Jacob** has been named Fairfax County Volunteer Firefighter of the Year. At age 58, he is one of the oldest active operational volunteer firefighters in the county and in 2004 logged more than 1,000 recorded hours helping to staff equipment at the Vienna, Greater Springfield, Fair Oaks and Burke fire stations. He is also active in the administration of the VVFD and for the past two years has served as chairman of the Capital Campaign Committee to raise funds for the renovations now underway at the Vienna station.

T.R. Cook, owner of Cook's Photo-Art Studio, was selected as Virginia's 2005 Small Business Champion by the National Federation of Independent Business (NFIB). He is an active contributor to NFIB's Save America's Free Enterprise (SAFE) Trust and the Legal and Young Entrepreneur Foundations, and is currently working on outreach programs to minority business owners.

The Vienna Woman's Club presented its annual scholarship awards last month. **Christina Cook**, granddaughter of charter member **Joanne Cook**, presented a \$4,000 award in her grandmother's name to Marshall High School senior **Emily Jean Patton**, and 2004 recipient **Trevor Perrier** awarded a \$1,000 scholarship to Madison High School senior **Luana Jang**.

Vienna Stars 12U girls' fastpitch softball team has dominated the competition in the first half of the 2005 tournament season, racking up a record of five consecutive tournament championships and a record of 28 wins, 1 loss and 2 ties. The team has outscored opponents 5 to 1, batted .383 as a team, collected 282 hits in 31 games and stolen 58 bases while allowing only 4. Photos and additional information are available at www.viennastars.com.

Over 300 runners ranging in age from 4 to 82 participated in the **Vienna Elementary School Run for Fun** on May 1. Proceeds from the race will benefit the educational enrichment programs of the school PTA. For race results, visit www.vienna5Krun.org.

Election Results

In the May 3 Town election, Town Council members George Lovelace, Maud Robinson and Syd Verinder were re-elected for new two-year terms beginning July 1. The vote totals are: Lovelace 454, Robinson 451 and Verinder 435. A total of 561 Vienna residents voted in this election out of 10,249 registered, a 5.5% voter turnout.

Thanks to all citizens who took the time to vote as well as those who served as election officers.

Citizen Comment

Car Alarm Can Enhance Home Security

A southeast Vienna resident writes:

"Your home radio receives radio waves which pass through the walls. Your car remote control is a radio wave transmitter. When you press the panic button indoors, a radio wave is transmitted through your home's walls to the radio antenna on your car to activate the alarm and flashing lights.

"Dialing 911 to report a crime, fire or medical emergency may be combined with pressing the panic button on your car remote control to activate your car alarm and flashing lights to alert neighbors, who can provide a house key to emergency personnel. The alarm and flashing lights may aid emergency personnel when locating your home. In case of a burglar, prowler or vandal, the alarm and flashing lights may cause the suspect to leave. If a stranger rings your doorbell and then behaves suspiciously, or if you become aware of a suspect tampering with your car, dial 911 and press the panic button. When indoors, if you are unsure whether you locked the car, press the lock button."

A word of caution from Vienna police officer and crime prevention specialist Virginia Palmore: A vehicle car alarm may attract attention from the neighbors, but it may not. Many car alarms are ignored and often cause annoyance. If you choose to use your car alarm as a "panic button," do so after the police have been alerted the old-fashioned way by calling 703-938-4900 or 911.

Citizens are invited to submit comments for use in the Town of Vienna Newsletter. Comments must be made in writing or via e-mail (pio@ci.vienna.va.us) and received by the 15th of the month to be included in the following month's newsletter. Your name, address and daytime phone number are required. This information will not be published.

Recycled Cell Phones Benefit Police

Do you have an unused cell phone sitting on a shelf or in a drawer? The Vienna Police Department, at 215 Center St., S., is a drop-off point for donating mobile phones as well as pagers and PDAs (such as Palm Pilots).

The Police Department has partnered with CollectiveGood, a company that recycles cell phones in an environmentally and socially responsible manner, and the Police Department receives a small payment for each device turned in. Funds are used to purchase crime prevention educational materials.

Why recycle cell phones? The U.S. Environmental Protection Agency has established that mobile phones count as hazardous waste, due to their content of lead, mercury, cadmium and arsenic. Recycling your old cell phone and keeping it out of the landfill is an easy way to help protect the environment.

CollectiveGood sends recycled phones to developing countries, where they serve useful, longer lives and offer affordable communications, in many cases the first modern communications.

For more information, contact Officer Virginia Palmore at 703-255-6396 or visit www.collectivegood.com.

Dumpsters Aren't for Dumping

Town businesses are often the victims of illegal dumping in their commercial dumpsters. Many business owners arrive at work to find their dumpsters overflowing with scrap lumber, old mattresses and other debris, which they must pay to have hauled away.

The police and businesses are working together to catch and prosecute illegal dumpers, and citizens are asked to report any suspicious activity they see around commercial dumpsters, especially at night and on weekends. Call the Police Department's non-emergency number, 703-255-6366.

Agreement Signed to Protect Trees on W&OD Trail

Dominion Virginia Power and the Northern Virginia Regional Park Authority (NVRPA) have signed an agreement to enhance tree preservation along the W&OD Regional Trail. The agreement culminates a year of controversy over Dominion's aggressive tree cutting and vegetation removal practices.

NVRPA has owned and operated the 45-mile long W&OD Trail for more than 25 years. The multi-use trail is built on the former railroad right-of-way purchased from Dominion Virginia Power's predecessor corporation. Dominion retains a right-of-way easement along the property that allows the company to maintain its transmission lines and remove any vegetation that may threaten those lines, an essential safeguard for public health, safety and electric service reliability.

For the last year, Dominion has faced considerable community opposition as a result of its extensive vegetation removal program on the highly used and popular trail that runs through Arlington, the City of Falls Church, Vienna, Reston, Herndon and into Loudoun County.

The agreement provides guidelines to plant and maintain "the right tree in the right place" and also governs the use of herbicides by Dominion. Details of the document include establishing criteria for tree species and use of an Advance Patrol Team of arborists and NVRPA and Dominion representatives to determine actions before trees are cut or vegetation removed.

To view the agreement in its entirety, go to www.nvrpa.org.

Hot Cars Deadly to Children and Pets

Children should never be left alone inside a car, even for a few minutes. In the last 10 years, more than 300 children nationwide – most of them age 3 and younger – died from heat stroke after being trapped in a car.

Many parents mistakenly think they can leave a child in a vehicle while running a "quick" errand. Unfortunately, just a few minutes can lead to tragedy. Heat is much more dangerous to children than it is to adults. When left in a hot vehicle, a young child's core body temperature can increase three to five times faster than that of an adult, causing permanent injury or death. When the outside temperature is 93°F, even with a window cracked, the temperature inside a car can reach 125°F in just 20 minutes.

Animals can also suffer and die when left inside parked cars, even on mildly warm days. If you see a child or a pet left alone in a car, take down the car's color, model, make, and license plate number and have the owner paged if inside a business, or call the Police Department at 703-255-6366.

Grass and Weeds Must Be Trimmed

The Town Code specifies that grass and weeds may not exceed 6 inches in height within 100 feet of any street or adjacent property line.

The Town Code also restricts the height of bushes, hedges, and other plantings (and fences) to three feet above the curb level within 25 feet of an intersection. Keeping foliage trimmed makes it easier for pedestrians and bicyclists to see approaching vehicles.

Every resident's effort to keep grass and plantings trimmed will help make Vienna a safer and more attractive community.

For more information, or to report violations, call the Department of Planning and Zoning at 703-255-6341.

Fight the Bite

Say NO to Mosquitoes

Eliminate Standing Water

Don't let mosquitoes "BUG" you!
There are things that **YOU CAN DO!**

Report Dead Birds to Health Dept.

The Fairfax County Health Department asks residents to report dead birds to help with the County's ongoing surveillance and tracking of West Nile virus.

If you find a dead bird near your home or business, you now have several options to report it to the Health Department. Call the agency's dead bird reporting line at 703-246-2300, send an e-mail to fightthebite@fairfaxcounty.gov or visit www.fairfaxcounty.gov/fightthebite.

Please provide your name and phone number, the date the bird was found, the location of the bird and the type of bird, if known, or a description of it.

The Health Department reminds residents to avoid handling any dead animal with bare hands and to dispose of a dead bird by double-bagging it and placing it in the garbage.

West Nile virus is spread to birds, horses, humans and other mammals through the bite of an infected mosquito. Most people bitten do not get sick, and people who do get sick usually suffer a mild flu-like illness. People over age 50 are at greatest risk of serious illness, such as encephalitis (inflammation of the brain) or meningitis (inflammation of the lining of the brain and spinal cord).

Residents need to continue to limit mosquito-breeding areas by tipping and tossing standing water. Using an insect repellent containing up to 30% DEET will also help protect against the virus.

Summer vacation begins this month. Your Transportation Safety Commission urges drivers to watch out for children at play this summer, especially around parks and ball fields.

1st Annual Vienna Relay for Life June 18 & 19 at Madison High School

Registration Deadline June 10

The American Cancer Society celebrates 20 years of “Relay for Life” this year. Over 4,000 communities and 3 million people across the United States will gather June 18 and 19 to raise money for cancer research and awareness. Vienna residents, businesses, churches, schools and organizations are participating for the first time this year as a community in the Vienna Relay for Life at James Madison High School. Already, over \$200,000 has been raised, and relay organizers sincerely thank everyone who has helped in any way.

There is still a lot left to do, and if you would like to be a part of this event, here are a few ways to get involved:

- ♦ Start your own team or become a member of an existing team.
- ♦ Sponsor a team member by making a tax-deductible contribution.
- ♦ Volunteer on the day of the event. Help is needed with everything from registration to face painting to assisting with the survivor reception.
- ♦ Order a luminary in honor of or in memory of someone who has battled or is battling cancer. Has someone you know been touched by cancer? Honor that individual by ordering a luminary to be lit at the Vienna Relay for Life. Each individual’s name will appear on a luminary bag in their honor or memory. Luminaria will light the way for walkers throughout the evening.

Cancer survivors are invited to participate in the “Survivors Victory Lap,” which will begin the Relay for Life. You will be joining more than 500,000 cancer survivors nationwide who participate in Relay for Life events. Cancer survivors will each be given a special gift, and That’s Amore restaurant is providing a complimentary catered luncheon in your honor. RSVP to the American Cancer Society office at 703-938-5550 if you plan to attend.

Relay for Life participants will end their fundraising efforts with an overnight “Celebration of Life” on June 18, dedicated to current and former cancer patients, and their families and friends who have supported them. It is also designed as a “thank you” to the many participants who spent countless hours gathering sponsors and collecting donations. Over 1,700 volunteers and cancer survivors will take part in the celebration. Team members will set up tents, camp out, walk laps and enjoy entertainment. They will even continue their fundraising efforts by setting up booths and selling items or services to the other participants.

All of the day’s events will culminate at dusk when Relay for Life volunteers will light hundreds of luminaria around the track to honor and remember those who have battled cancer.

To find out more about the event, to get involved, to make a donation to a team or to order a luminary for someone you know who has been touched by cancer, visit www.ViennaRelay.org. If you would like to join a team, contact Stacy Capra at 703-255-0995 or capraparty@verizon.net.

Police Inspect Child Safety Seats

Your Vienna Police Department provides free child safety seat inspections for town residents. Hours are flexible, but on Tuesdays from noon to 4 p.m. technicians are usually available to check the seats on a walk-in basis. Since only certified technicians can inspect a car seat, it is recommended that you call the Police Department’s non-emergency number, 703-255-6366, and ask for a safety seat technician to assist you with scheduling an appointment.

County Announces Emergency Alert Network

Fairfax County's Office of Emergency Management and Office of Public Affairs have announced the creation of the Community Emergency Alert Network, or CEAN. The CEAN will be used by County officials to deliver important emergency alerts, notifications and updates to County residents during a major crisis or emergency.

Messages will be delivered to e-mail accounts, cell phones (text messaging costs may apply; check with your service provider), text pagers, satellite phones and wireless PDAs registered on the system. Persons registered on the CEAN will be provided a personal connection to real-time updates, instructions on where to go, protective actions that need to be taken, and other important information.

Alerts may include personal safety, weather, major accidents involving utilities or roadways, or disasters such as a terrorist attack. In addition, residents may also register for any or all of the additional CEAN alert categories: County government closings/schedule changes, severe traffic disruptions, severe weather 24/7 and severe weather 8 a.m. - 5 p.m., Monday - Friday.

To register for the Community Emergency Alert Network, visit www.fairfaxcounty.gov/cean. For additional information on the CEAN, contact the Office of Emergency Management at 703-324-2362.

Drive Safely in Parking Lots

Safe driving should not end when you enter a parking lot. The standard "rules of the road" should be followed.

In Vienna, public parking lots designed to accommodate 50 or more vehicles are subject to police enforcement of the same traffic regulations as on town streets, and a speed of 15 mph is the maximum allowed in these parking lots.

In addition, it is illegal to cut through parking lots to avoid traffic lights or stop signs at intersections.

Town Receives U.S. Flag from Military Mission in Iraq

Last Christmas, 20 boxes and 70 stockings filled with holiday goodies donated by Vienna residents were sent by the Vienna Parks and Recreation Department to U.S. servicemen and women stationed in Iraq.

Army Maj. Mike McNeally, who grew up in the Vienna area, distributed the goodies. Maj. McNealy is now home from Iraq and stationed at Fort Hood, TX. He recently sent a flag to Mayor Jane Seeman along with the following letter:

"As a small token of appreciation for what the townspeople of Vienna and the Boy Scouts of Troop 152 provided for the Soldiers, Sailors, Airmen and Marines of the Multi-National Corps Iraq in the winter of 2004/5, please accept this United States flag. At my request, the flag was flown over the country of Iraq during an air movement mission to Mosul in recognition of the Vienna townspeople and their support of the deployed military personnel in Iraq.

"I would also like to commend Amy-Jo Hendrix of the Parks and Recreation Department for her great enthusiasm as the driving force managing and directing the Holiday Stocking and Care Package Drive. I was genuinely stunned as I received package after package after package to hand out to my fellow servicemen and women. The Soldiers, Sailors, Airmen and Marines were truly touched by the generosity of their fellow Americans. It made the holiday season much more festive in light of our mission away from home. Amy and her co-workers have earned our eternal gratitude for their efforts.

"Again, thank you, to you and your wonderful Vienna team. I could not be prouder to be a son of Vienna."

The flag sent by Maj. McNealy will be displayed at the Vienna Community Center.

Flag Day Etiquette Reviewed

June 14 is Flag Day, the anniversary of the adoption of the "Stars and Stripes" as our nation's flag in 1777. It was officially established by the Proclamation of President Woodrow Wilson in 1916, but it was not until 1949 that President Harry Truman signed an Act of Congress designating June 14 of each year as National Flag Day.

All residents and businesses are encouraged to fly the flag, not only on special holidays but throughout the entire year. Thanks to Vienna's Dyer-Gunnell American Legion Post 180 for providing these "flag etiquette" rules:

★ It is the universal custom to display the flag only from sunrise to sunset on buildings and stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness.

★ The flag should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed.

★ The flag should never touch anything beneath it, such as the ground, the floor, water, or merchandise.

★ Flags may be washed or dry-cleaned.

The Right Way to Dispose of Old Flags

When no longer serviceable, U.S. flags should be destroyed in a dignified way, preferably by burning. Look for red, white and blue flag disposal "mailboxes" at Vienna American Legion Post 180, 330 Center St., N., at the Cherry Street end of the Vienna Volunteer Fire Department parking lot and at the parking of the Vienna Assembly of God, corner of Church Street and Dominion Road. For more information, call Post 180 at 703-938-9535.

This Month in History

from the Vienna Newsletter archives

JUNE 1995 – The grand re-opening of Patrick Henry Library is scheduled for June 24. The library expansion includes space for over 100,000 items, quiet reading room, children's room with its own information desk, 65-seat meeting room, eight-seat conference room, eight terminals for the online catalog, lounge seating for homework and research, periodicals display and improved access for people with disabilities.

JUNE 1985 – The Vienna Pigtail-Ponytail League is celebrating its 25th anniversary this year. VPPL was founded in 1960 by Vienna residents Burley Coulter, Dean Wallace, Ruth Tudor, Lilian Lingfelter, Blake Turner, Fred Crabtree, Shirley Martin, and Mr. and Mrs. Bill Demory. It was the first girls softball league in Northern Virginia.

JUNE 1975 – Vienna residents and the local news media can receive the latest Town of Vienna news from the new Vienna Newsline recording. The Newsline carries agendas of Town Council meetings and other meetings of various boards and commissions. Parks and Recreation news, public service announcements and notification of special meetings are also included on the Newsline.

JUNE 1965 – The year 1965 marks the 75th anniversary of Vienna's incorporation as a Virginia town. The Town Council has set aside the period from June 26 through July 4 as a time for celebrating this significant event.
